

CITY OF WHITE PLAINS

SOLID WASTE MANAGEMENT PLAN
For the City of White Plains, NY

The purpose of this two page form is to help you develop an acceptable non-residential Solid Waste management Plan. A solid waste management plan must be submitted for review and approval. The plan must show a designated location for each of the conventional waste materials and recyclable materials (glass, tin, metal, plastic, cardboard) with separate storage containers shown for the recyclables. Conventional waste and recyclable materials may be stored in a dedicated location show on the site plan. Develop a routing plan for removal of the waste and recyclable materials from the building to the collection point where it will be removed by the City's municipal collection services on the scheduled day (s).

Primary business classification: Retail [] Food Store [] Restaurant [] Office []
Health Care [] Industrial [] Institutional [] Other []

Business Name & Location:

Percentage of building covered by this plan:

Waste and designated recyclables produced at this location will be collected by:

- A. DPW - The City of White Plains: Yes [] No []
B. Attach letter to Commissioner of Public Works stating PRIVATE HAULER will remove trash and mandated recyclables.
C. Private Hauler: Name: Phone:
Address:

NOTE

- 1 A Private Hauler collecting trash and/or recyclables in Westchester County is required to display a valid Westchester County Hauler's License and a separate Refuse Collection Permit.
2 Permit information can be obtained from The County's Recycling Office, 100 East First St., Mt. Vernon, NY 10550. Telephone number (914)813-6850.
3 Businesses, firms and/or institutions, with a total of more than 100 people at one or more Westchester County work-sites are required to file with the County's Recycling office, a Westchester County Solid Waste Management Plan. Call (914) 813-5473.

Estimated annual quantity of your waste in cubic yards:

Please estimate, in percentages, the items in your waste stream: %

Table with 4 columns: ITEM, PERCENTAGE, ITEM, PERCENTAGE. Rows include Office Paper, Corrugated Cardboard, Glass/Metal/Plastic, Glossy Paper, Newsprint.

Businesses which produce - either or both - high grade office paper and dispose of over 25 corrugated boxes per week are to arrange to recycle those items using a private contractor.

Indicate below the percentage of your remaining garbage, which is ordinarily comprised of all disposable, non-reusable materials: PERCENT

Garbage and recyclable materials are to be stored in a dedicated location as shown on the site plan.

Where will garbage be stored prior to collection? _____

Where will recyclables be stored prior to collection? _____

Indicate routing plan from storage area(s) to hauler collection point: _____

Property location of trash/recyclables hauler collection point: _____

* The Commissioner of Public Works has the authority to regulate the amount and method of the municipal collection of solid waste and designated recyclables.

The Department of Public Works - Sanitation Bureau will collect up to six, 32-gallon containers of refuse as well as designated recyclables from a service site. Otherwise, for DPW Sanitation Bureau collection, properly sized and authorized dumpsters will be required.

- ◆ All property sites for DPW dumpster collection must be approved.
- ◆ All dumpsters must be configured to White Plains DPW specifications.
- ◆ Dumpsters must be located on a reinforced concrete pad, construction pursuant to Department of Building specifications.
- ◆ All dumpsters must have suitable DPW vehicle access and screening, according to City specifications.
- ◆ All dumpsters must be property labeled as to refuse and/or recycling.
- ◆ All dumpsters for DPW refuse removal must have uniform configuration.
- ◆ Items for collection may not be placed curbside until 6am on the day of collection!

Types of dumpsters for DPW collections (Reinforced Concrete Pads)

- ◆ **Refuse removal** - up to two, 2 cy or 3 cubic yard rear load dumpsters.
- up to two, 8 cubic yard top/front load dumpsters.
- ◆ **Recycling (BLUE and GREEN)** - recycling containers must be color coded.
- ◆ **Newsprint (GREEN)** - up to two, (2) cubic yard rear load dumpsters.
- ◆ **Commingled (BLUE)** - up to two, (2) cubic yard rear load dumpsters.

Specify the types, size (volume capacity) and quantity of containers intended to be utilized for refuse disposal.

GARBAGE CANS	REAR LOAD DUMPSTER	TOP LOAD DUMPSTER
