The Psychology of Surviving in Today's Workplace
featuring Tracy Crosby

WHITE PLAINS, NY – March 23, 2017. Are you interested in understanding the dynamics of organizational behavior and how they can help you survive and thrive in the workplace? Tracy Crosby will share ten principles that will aid you in understanding the underlying causes of today's work environments. Ms. Crosby is a Career Navigator at the White Plains Education & Training Center. Tracy has also worked as a Visiting Professor at Manhattanville College, where she taught Industrial/Organizational Psychology, including topics such as Motivation, Leadership, Training & Development, Individual Differences and Assessment, and Humanitarian Work Psychology. Ms. Crosby is a graduate from Mercy College with a MS Degree in Organizational Leadership and MS in Psychology.

Tracy Crosby will present “**The Psychology of Surviving in Today's Workplace**” at the White Plains Education & Training Center (WPETC) on **Tuesday, April 4th, 8:30 am – 10:00 am**. Networking opportunities begin at 8:30 am, followed by Tracy's presentation at 9:00 am. The WPETC is located at 303 Quarropas Street, White Plains, NY 10601.
