Be Part of the Inaugural White Plains Memorial Day 5K Run/Walk to Honor Fallen Soldiers

The City of White Plains in conjunction with the White Plains BID will host a 5K Run/Walk on Memorial Day, May 29th, to commemorate those men and women who made the ultimate sacrifice for our freedom. Join as a walker, runner, marcher or spectator to honor our Fallen Soldiers.

A charitable donation will be made to the Veterans Administration Hudson Valley Health Care System-Montrose Campus. The day starts with a moment of silence and the playing of the National Anthem in front of City Hall at the start line at 8:10 am.

Sponsors include Dannon, Orangetheory Fitness, Westchester Road Runner, White Plains YMCA and Whole Foods Market. [Learn more and register.](#)

Leaf Blowers - Helpful ... but Noisy. Do You Know When to Use Yours?

The City of White Plains leaf blower ordinance is geared toward reducing loud, unnecessary and unwanted noise in our neighborhoods.

These gasoline powered blowers are only allowed during the Spring and Fall clean-up seasons. [Check here](#) for the specific dates and hours these blowers may be used.

White Plains Pavilion Project Underway

Demolition has begun at the White Plains Pavilion, located at 60 South Broadway. Re-development of the property will include two 24-story residential towers with 707 rental apartments, 43 of which will be dedicated as affordable under the City's Affordable Housing Program.

The \$275 million project at the site of the now-vacant Westchester Pavilion will also include 93,840 sq. ft. of commercial space, 77,340 sq. ft. of retail and 16,500 sq. ft. of restaurant space with six outdoor dining areas. The project will enliven the South Broadway and Maple Avenue streetscapes and create an inviting pedestrian environment with a linear park and grade level access to retail.

The project will also include a four level internal parking structure containing 1,036 spaces, 714 spaces dedicated for residents and 322 for retail and restaurant patrons. Construction will begin immediately following completion of demolition.
