

# EMPLOYMENT OPPORTUNITIES

## THE CITY OF WHITE PLAINS PUBLIC WORKS

### SEMI-SKILLED LABORER

Salary Range: \$48,689 - \$62,741 (employees hired after 2/6/17)  
Salary Range: \$54,867 - \$72,106 (employees hired before 2/6/17)

Under supervision, incumbents of this class perform a wide variety of manual labor involving routine and semi-skilled tasks related to the routine maintenance, repair and operation of various facilities, roads or equipment. This requires a certain amount of acquired skill particularly in the proper use of tools, mechanical and power equipment. The skill level involved is not parallel to full performance level of the standard trades however work involves the more routine tasks in the various trades and may act as an assistant to a higher level Maintenance Worker or Trades Specialist. Assignments may also require driving automotive equipment. Work may be subject to shift assignment and mandatory overtime in response to emergency situations or special projects. May function as a lead worker over lower level laborers. Supervision is not a normal requirement of this class.

**MINIMUM EXPERIENCE:** One (1) year experience in heavy manual labor or maintenance.

**SPECIAL REQUIREMENT:** Possession of a valid license to operate a motor vehicle in NY State.
