DEPUTY COMMISSIONER

September 6, 2019

To Residents of the Battle Hill & North Broadway Associations:

The Bureau of Water will be flushing water mains between the hours of midnight and 4:00 A.M. tonight, September 6, 2019 and again on Friday, September 13, 2019. Except for emergencies and maintaining and/or repairing hydrants during the normal workday, our program will be conducted in neighborhoods of:

**BATTLE HILL
CHURCH STREET
NORTH BROADWAY**

This operation may cause some discoloration of the water so washing clothes is not recommended during this brief time (Midnight – 4 a.m.) however, the water quality remains unchanged and it is still safe for drinking. If you experience any discoloration of your water, simply run cold water until the water runs clear.

We regret any inconvenience, but this is a necessary maintenance and safety requirement.

For further information or to determine those locations where the operations will be conducted, please contact the Water Bureau at 422-1220.

Sincerely,

Richard G. Hope
Commissioner of Public Works
