**ROAD PAVING
GREENACRES WAY
BEGINNING SEPTEMBER 17, 2019 - WEATHER PERMITTING**

Please be advised that the Department of Public Works has tentatively scheduled repaving of the subject roadway **beginning September 17, 2019**. Street parking will be temporary suspended between the hours of 8 a.m. – 5 p.m. **Please plan to move your vehicles to adjacent streets before the start of work at 8 a.m.** Access to the road will be severely limited during work days. All parking restrictions (i.e. no parking zones, etc.) will remain in effect. During this work, please watch for detours and closures.

Various alternatives have been carefully studied so that this work may be accomplished in a manner that is least intrusive to the homeowner and most efficient. We have determined that maintaining a limited amount of traffic (single lane) of general vehicular traffic during the day, and fully reopening it again in the afternoon, will be the most beneficial for residents.

Please note that your regularly scheduled garbage or recycling pick up must be put out for collection before 8 a.m.

Questions may be directed to Highway Superintendent, Richard Stangarone at 422-1202.

Thank you for your patience and cooperation.

Kind regards,

Stefania A. Mignone
Deputy Commissioner of Public Works
