November, 2020

Dear Resident:

On Friday, November 6, 2020, the Bureau of Water will be flushing water mains between the hours of Midnight and 4 a.m. Except for emergencies and/or repairing hydrants during the normal work day, our program will be conducted in the neighborhoods of:

**CARHART
HIGHLAND
PROSPECT PARK
WESTMINSTER
WOODCREST
DEKALB
COBB AVENUE
LONGVIEW**

This operation may cause some discoloration of the water, so washing clothes is not recommended during this brief time (Midnight – 4 a.m.) however the water quality remains unchanged and is still safe for drinking. If you experience any discoloration of your water, simply run your cold water until the water runs clear.

We regret any inconvenience, but this is a necessary maintenance and safety requirement.

For further information please call the Water Bureau at 422-1220

Sincerely,

Richard G. Hope
Commissioner of Public Works
